Productolith® Pts.

SBS Paperboard/Caliper Cover, at its best.

Productolith® Pts. is the ultimate combination: A solid bleached sulfate (SBS) construction produced with a bright, beautiful fine paper surface that will get your brand noticed in a crowd. Available in C1S or C2S, 7 pt. to 16 pt., with quality you can count on, every time.

Features:
- **Print and Converting Performance**
  - SBS Paperboard/Caliper Cover with a beautiful fine-paper surface
  - Solid bleached construction provides better consistency and stability than multi-ply boards
  - 92 bright, beautiful whiter-white optics in a smooth non-glare finish
- **Versatile**
  - 7 pt. through 16 pt. C1S and C2S
  - Matching sheets and digital items
  - 7 & 9 pt. offerings meet USPS minimum requirements
- **The Service and Size You Need**
  - Wide selection of stocking items available
  - Custom size three day PressDate® Service saves you time and money
- **Responsible Fiber Sourcing**
  - Sheets made with chain-of-custody fiber: FSC®, SFI®, PEFC™
  - Manufactured with 10% post-consumer waste (PCW) recycled fiber upon request with upcharge
- **Manufactured in the USA with Pride**
  - Purchase Productolith® Pts. and put Americans to work
  - Proven quality and performance from a trusted U.S. manufacturer backed by our guarantee of full customer and technical support from start to finish

Product Stewardship and Sustainability:

Productolith® Pts. is acid free and designed for permanence. Productolith® Pts. is manufactured using elemental chlorine-free bleach (ECF).

To review product stewardship and sustainability information please see the Verso Product Regulatory Profile Sheet posted at www.versoco.com/ProductRegulatoryProfile.

Environmental Certifications:

Buyers of Productolith® Pts. sheetfed products have the confidence of knowing they support responsible forest management because this product line carries three chain-of-custody certifications:
- Forest Stewardship Council™ (FSC®), BV-COC-953662; “The Independent Assurance for Responsible Forest Management.”
- Sustainable Forestry Initiative (SFI®), BV-SFICOC-US09000011; “Good for you. Good for our forests.”
- Programme for the Endorsement of Forest Certification (PEFC™), BV-PEFCCOC-US09000012; “Promoting sustainable forest management.”

All Verso Productolith® Pts. sheetfed products use the FSC Mix label. This label is used when a product contains one or more of the following fiber types: FSC-certified, recycled fiber or controlled fiber. When ordering Verso products specify paper to be identified as either FSC, SFI or PEFC chain-of-custody certified.

This product complies with Lacey Act requirements.
Verso Corporation is the turn-to company for those looking to successfully navigate the complexities of paper sourcing and performance. A leading North American producer of graphic and specialty papers, packaging and pulp, Verso provides insightful solutions that help drive improved customer efficiency, productivity, brand awareness and business results. Verso’s long-standing reputation for quality and reliability is directly tied to our vision to be a company with passion that is respected and trusted by all. Verso’s passion is rooted in ethical business practices that demand safe workplaces for our employees and sustainable wood sourcing for our products. This passion, combined with our flexible manufacturing capabilities and an unmatched commitment to product performance, delivery and service, make Verso a preferred choice among commercial printers, paper merchants and brokers, converters, publishers and other end users.
