

# ArborWeb Plus®

Web

## The plus means more sustainable options.

ArborWeb Plus® is a smooth, bright, coated No. 2 freesheet that delivers exceptional optics and superior print performance. With tri-certified, chain-of-custody assurance and 30% post-consumer recycled fiber, it's the perfect choice when you need to show your commitment to sustainable sourcing. It's offered in a range of options, from heavyweight to lightweight text and cover, with gloss, dull and matte finishes.

### Attributes:

- Available in heavier cover weights
- Super smooth printing surface with exceptional print quality
- Tri-certified to FSC®, SFI® and PEFC standards
- Contains 30% post-consumer recycled fiber

### Applications:

- Upscale catalogs
- High-end magazines
- Annual reports
- Direct mail
- Business communications
- Picture books

Verso Corporation is the turn-to company for those looking to successfully navigate the complexities of paper sourcing and performance. The leading North American producer of printing and specialty papers and pulp, Verso provides insightful solutions that help drive improved customer efficiency, productivity, brand awareness and business results. Verso's long-standing reputation for quality and reliability is directly tied to our vision to be a company with passion that is respected and trusted by all. Verso's passion is rooted in ethical business practices that demand safe workplaces for our employees and sustainable wood sourcing for our products. This passion, combined with our flexible manufacturing capabilities and an unmatched commitment to product performance, delivery and service, make Verso a preferred choice among commercial printers, paper merchants and brokers, converters, publishers and other end users. For more information, visit us online at [versoco.com](http://versoco.com).
