

Voyager®

Web

The premier alternative to a lightweight coated No. 5.

With a reputation as the proven performance leader in its grade category, Voyager® is the premier Supercalendered-A+ paper. It offers cost savings with a surprising coated-like print quality. Voyager® also gives you print results and pressroom productivity normally associated with lightweight coated grades. Available in both web offset and gravure for greater printing flexibility.

Attributes:

- Superior ink hold-out that maintains quality image reproduction
- Press runnability and print results comparable to lightweight coated papers
- Shade and brightness matched to lightweight coated No. 5 products
- CoC certification and recycled options available

Applications:

- Magazines
- Catalogs
- Retail inserts
- Sunday magazines
- Coupons

Verso Corporation is the turn-to company for those looking to successfully navigate the complexities of paper sourcing and performance. A leading North American producer of specialty and graphic papers, packaging and pulp, Verso provides insightful solutions that help drive improved customer efficiency, productivity, brand awareness and business results. Verso's long-standing reputation for quality and reliability is directly tied to our vision to be a company with passion that is respected and trusted by all. Verso's passion is rooted in ethical business practices that demand safe workplaces for our employees and sustainable wood sourcing for our products. This passion, combined with our flexible manufacturing capabilities and an unmatched commitment to product performance, delivery and service, make Verso a preferred choice among commercial printers, paper merchants and brokers, converters, publishers and other end users. For more information, visit us online at versoco.com.
