

## Robert J. Broekhuizen

Vice President of Enterprise Optimization

Robert J. Broekhuizen has been our Vice President of Enterprise Optimization since March 2021.

Mr. Broekhuizen has over 30 years of leadership experience in business improvement, problem solving and management skills with a track record of consistently delivering positive results. He most recently served as Senior Director of Business and Operations Process Management at PCA. Prior to that, he held various financial and manufacturing management positions, including Senior Director, Financial Systems Integration for WestRock Company, and Container System Controller and Director of Business Optimization at KapStone Paper and Packaging Corporation (now a subsidiary of WestRock Company).

### About Verso

Verso Corporation is a leading American owned and operated producer of graphic, specialty and packaging paper and market pulp, with a long-standing reputation for quality and reliability. Verso's graphic paper products are designed primarily for commercial printing, advertising and marketing applications, including direct mail, catalogs, corporate collateral, books and magazines. Verso's specialty paper products include release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. Verso produces packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. Verso also makes market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels.
