

Blazer Digital®

THE ALL-AMERICAN DIGITAL.

Blazer Digital® is the go-to American sheet engineered specifically for digital applications. This bright, economical paper performs well on laser and ElectroInk printers, color and black & white and digital offset technologies. Backed by a commitment to service, availability and performance. Put Blazer Digital® to work.

ECONOMY DIGITAL SHEETS

FEATURES:

- Versatility; optimal performance on laser and ElectroInk printers, color and black & white and digital offset technologies
- Designed to run on HP Indigo, Kodak NexPress, Xerox iGen and other production color digital presses
- Matches sheets, text and cover papers within Anthem Plus® line
- Superior toner adhesion for better image reproduction
- Precision cut to prevent paper edge bonding jams and duplex registration issues
- 7 & 9 pt. offerings meet USPS minimum requirements
- Strict quality control yields ultra-clean paper, reducing paper dust contamination and increasing productivity and equipment life
- Vapor barrier wrapping to prevent moisture absorption that can lead to curling and jamming
- Manufactured in the USA with Pride

APPLICATIONS:

- On demand printing
- Brochures
- Sell sheets
- Flyers
- Variable imaging
- Direct mail
- Postcards
- Short run catalogs and magazines
- On demand books

Billerud North America is a leading American operated producer of graphic, specialty and packaging paper and market pulp. Our name means quality and commitment, sustainability and integrity. We offer a variety of products, each made with pride in the USA and designed to build brands and business results for our customers. We make graphic paper products for direct mail, corporate collateral, catalogs, magazines and books, and specialty paper products, including release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. We produce packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. We also make market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information please visit billerud.com.
