

ECONOMY DIGITAL SHEETS

Blazer Digital®

THE ALL-AMERICAN DIGITAL.

Blazer Digital® is the go-to American sheet engineered specifically for digital applications. This bright, economical paper performs well on laser and ElectroInk printers, color and black & white and digital offset technologies. Backed by a commitment to service, availability and performance. Put Blazer Digital® to work.

FEATURES:

- Versatility; optimal performance on laser and ElectroInk printers, color and black & white and digital offset technologies
- Designed to run on HP Indigo, Kodak NexPress, Xerox iGen and other production color digital presses
- Matches sheets, text and cover papers within Anthem Plus® line
- Superior toner adhesion for better image reproduction
- Precision cut to prevent paper edge bonding jams and duplex registration issues
- 7 & 9 pt. offerings meet USPS minimum requirements
- Strict quality control yields ultra-clean paper, reducing paper dust contamination and increasing productivity and equipment life
- Vapor barrier wrapping to prevent moisture absorption that can lead to curling and jamming
- Manufactured in the USA with Pride

APPLICATIONS:

- On demand printing
- Brochures
- Sell sheets
- Flyers
- Variable imaging
- Direct mail
- Postcards
- Short run catalogs and magazines
- On demand books

ENVIRONMENTAL CERTIFICATIONS:

Buyers of Blazer Digital® products have the confidence of knowing they support responsible forest management because this product line carries three chain-of-custody certifications:

- Forest Stewardship Council® (FSC®), BV-COC-953662; “The Independent Assurance for Responsible Forest Management.”
- Sustainable Forestry Initiative (SFI®), BV-SFICOC-US09000011; “Good for you. Good for our forests.”
- Programme for the Endorsement of Forest Certification™ (PEFC™), BV-PEFCCOC-US09000012; “Promoting sustainable forest management.”

All Verso Blazer Digital® products use the FSC Mix label. This label is used when a product contains one or more of the following fiber types: FSC-certified, recycled fiber or controlled fiber.

When ordering Verso products specify paper to be identified as either FSC, SFI or PEFC chain-of-custody certified.

This product complies with Lacey Act requirements.

Verso Corporation is a leading American owned and operated producer of graphic, specialty and packaging paper and market pulp, with a long-standing reputation for quality and reliability. Verso's graphic paper products are designed primarily for commercial printing, advertising and marketing applications, including direct mail, catalogs, corporate collateral, books and magazines. Verso's specialty paper products include release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. Verso produces packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. Verso also makes market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information, visit us online at versoco.com.
