

AT-A-GLANCE

# Wisconsin Rapids Converting Facility

Verso Corporation is a leading American owned and operated producer of graphic, specialty and packaging paper and market pulp.

## Wisconsin Rapids, Wisconsin

When you visit the Wisconsin Rapids Converting Facility, you're at the center of Wisconsin and at the heart of a vibrant downtown. Within blocks of the facility along the Wisconsin River are the city's primary shopping district and a variety of restaurants, pubs, grills and other popular gathering places.

### OUR COMMUNITY

Together with our employees, the Wisconsin Rapids Converting Facility supports a wide range of community organizations and events with a focus on education, sustainability and local health and human service needs. Our employees, who generously contribute their time and talents in various company-sponsored and individual volunteer efforts to enhance the quality of life in Wisconsin Rapids and the surrounding area, drive our community participation.

## 1974

The Wisconsin Rapids Converting Facility began sheeting operations in 1974.

## 110 PEOPLE

The converting facility employs approximately 110 people.

## 370,000

TONS OF PAPER PER YEAR

The Wisconsin Rapids Converting Facility converts rolls of paper made at our Michigan mills into folio and digital sheets and has the capacity to sheet 370,000 tons of paper annually. The facility has seven state of the art sheeters, material handling equipment and a warehouse for storing inventory.

## 470,000

SQUARE FEET

The converting facility encompasses approximately 470,000 square feet and includes seven folio and digital sheeters, one offline carton packing machine, an automated skid wrapping system, two nine-story automated vertical storage facilities with the capacity to warehouse more than 34,000 tons of inventory, and an automated paper storage and transport system.

## ZERO INJURIES GOAL

Verso's steadfast commitment to being "safe from the start" permeates our culture and drives our effort to reduce injuries at the Wisconsin Rapids Converting Facility. Our entire workforce is dedicated to promoting a safe work environment for our employees and the community, with all employees working together to achieve a common safety goal: zero injuries.
