Verso Corporation is a leading American owned and operated producer of graphic, specialty and packaging paper and market pulp, with a long-standing reputation for quality and reliability. Verso's graphic paper products are designed primarily for commercial printing, advertising and marketing applications, including direct mail, catalogs, corporate collateral, books and magazines. Verso's specialty paper products include release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. Verso produces packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. Verso also makes market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information, visit us online at [versoco.com](http://versoco.com).
