**ENVIRONMENTAL CERTIFICATIONS:**

Buyers of Productolith® Pts. sheetfed products have the confidence of knowing they support responsible forest management because this product line carries three chain-of-custody certifications:

- Forest Stewardship Council® (FSC®), BV-COC-953662; “Forests for all forever.”
- Sustainable Forestry Initiative (SFI®), BV-SFICOC-US09000011; “Good for you. Good for our forests.”
- Programme for the Endorsement of Forest Certification™ (PEFC™), BV-PEFCCOC-US09000012; “Promoting sustainable forest management.”

This product complies with Lacey Act requirements.

**PRODUCT STEWARDSHIP AND SUSTAINABILITY:**

Productolith® Pts. is acid free and is manufactured using elemental chlorine-free bleach (ECF).

To review product stewardship and sustainability information please see the Billerud Product Regulatory Profile Sheet posted at [www.billerud.com/ProductRegulatoryProfile](http://www.billerud.com/ProductRegulatoryProfile).

Billerud North America is a leading American operated producer of graphic, specialty and packaging paper and market pulp. Our name means quality and commitment, sustainability and integrity. We offer a variety of products, each made with pride in the USA and designed to build brands and business results for our customers. We make graphic paper products for direct mail, corporate collateral, catalogs, magazines and books, and specialty paper products, including release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. We produce packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. We also make market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information please visit [billerud.com](http://billerud.com).
