

## Tonie Meyers

Sheeting Operations Senior Vice President  
and General Manager

Tonie Meyers has been our Sheeting Operations Senior Vice President and General Manager since April 2021.

Mrs. Meyers has more than 30 years of leadership experience in Sales, Operations, and Finance within the paper industry. For the past two years, she was the President of TM Optimization, a consulting firm she created to provide paper companies with process, business and financial optimization assistance, including market intelligence, profitability modeling, forecasting and product rationalization. Prior to that, Mrs. Meyers served as Mill Division Vice President of Sales and Marketing for KapStone Paper and Packaging and WestRock Company for more than a decade. Earlier in her career, she held various financial management and controller positions at International Paper and Champion International.

### About Verso

Verso Corporation is a leading American owned and operated producer of graphic, specialty and packaging paper and market pulp, with a long-standing reputation for quality and reliability. Verso's graphic paper products are designed primarily for commercial printing, advertising and marketing applications, including direct mail, catalogs, corporate collateral, books and magazines. Verso's specialty paper products include release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. Verso produces packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. Verso also makes market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information, visit us online at [versoco.com](http://versoco.com).
