ENVIRONMENTAL CERTIFICATIONS:

Buyers of Productolith Pts. Digital® products have the confidence of knowing they support responsible forest management because this product line carries three chain-of-custody certifications:

- Forest Stewardship Council® (FSC®), BV-COC-953662; “The Independent Assurance for Responsible Forest Management.”
- Sustainable Forestry Initiative (SFI®), BV-SFICOC-US09000011; “Good for you. Good for our forests.”
- Programme for the Endorsement of Forest Certification™ (PEFC™), BV-PEFCCOC-US09000012; “Promoting sustainable forest management.”

All Verso Productolith Pts. Digital® products use the FSC Mix label. This label is used when a product contains one or more of the following fiber types: FSC-certified, recycled fiber or controlled fiber.

When ordering Verso products specify paper to be identified as either FSC, SFI or PEFC chain-of-custody certified.

This product complies with Lacey Act requirements.

NO ONE MAKES IT EASIER TO FIND THE PERFECT DIGITAL PAPER

- TrueJet® Book

Verso Corporation is a leading American owned and operated producer of graphic, specialty and packaging paper and market pulp, with a long-standing reputation for quality and reliability. Verso's graphic paper products are designed primarily for commercial printing, advertising and marketing applications, including direct mail, catalogs, corporate collateral, books and magazines. Verso's specialty paper products include release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. Verso produces packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. Verso also makes market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information, visit us online at versoco.com.
