

Sterling® Premium Digital™

PREMIUM DIGITAL, REFRESHED.

Sterling® Premium Digital™ meets the same legendary Sterling® standard designed specifically for optimal press performance on HP Indigo, Kodak NexPress, Xerox iGen and other production color digital presses. Its exceptional print surface and bright, clean optics make it best-in-class for brand-building printed collateral.

PREMIUM DIGITAL SHEETS

FEATURES:

- Versatility; optimal performance on laser and ElectroInk printers, color and black & white and digital offset technologies
- Guaranteed for pre-print applications
- Designed to run on HP Indigo, Kodak NexPress, Xerox iGen and other production color digital presses
- Matches sheets, text and cover papers within Sterling® Premium line
- Manufactured with 10% recycled fiber
- Superior toner adhesion for better image reproduction
- Precision cut to prevent paper edge bonding jams and duplex registration issues
- 7 & 9 pt. offerings meet USPS minimum requirements
- Strict quality control yields ultra-clean paper, reducing paper dust contamination and increasing productivity and equipment life
- Vapor barrier wrapping to prevent moisture absorption that can lead to curling and jamming
- Manufactured in USA with pride

APPLICATIONS:

- High-end marketing collateral, advertising, annual reports and photo books
- On demand printing of any kind, including variable imaging
- Short run catalogs and magazines
- Brochures, flyers and sell sheets
- On demand books
- Business cards
- Postcards
- Direct mail
- Prepress applications

Billerud North America is a leading American operated producer of graphic, specialty and packaging paper and market pulp. Our name means quality and commitment, sustainability and integrity. We offer a variety of products, each made with pride in the USA and designed to build brands and business results for our customers. We make graphic paper products for direct mail, corporate collateral, catalogs, magazines and books, and specialty paper products, including release liner papers and label face stock for pressure sensitive, glue-applied and laminate applications. We produce packaging paper used in higher-end packaging and printing applications such as greeting cards, book covers, folders, labels and point-of-purchase displays. We also make market pulp used in printing, writing, specialty and packaging paper, facial and toilet tissue, and paper towels. For more information please visit billerud.com.
